PROJECT DETAILS

• Kyubook — November-2022 - February-2024

Project Description: The only application you'll ever need to find new experiences, track your child's education, and engage with parents just like you to share ideas and enhance learning.
Responsibilities: 1. Mainly, I was working on fixing all the existing issues. 2. If anything needed to be implemented, I was doing it.
Technologies: Flutter
Industry: Education

• WCEA — November-2022 - February-2024

Project Description: WCEA is a social impact technology company focused on assisting low and middle income countries to build capacity in the training of healthcare professionals through the use of technology. This is achieved through partnerships with local stakeholders, NGO's, local and global education providers.
Responsibilities: 1. I worked on the User profile module only. 2. My tasks were user account creation, profile updating, login-related implementation, and bug fixing.
Technologies: Flutter, Android
Industry: Education
