Passionate software engineer with a keen eye for detail and a drive for building high-performance web applications. Specializing in Angular and .NET Web API technologies, I thrive in collaborative environments and strive to enhance user experiences through innovative solutions.

INDUSTRIES: Healthcare, Retail

TECHNICAL SKILLS

• HTML	6 years
• CSS	6 years
• JavaScript	6 years
• Angular	5 years
• .NET Web API	5 years
• SQL	5 years
• Git	5 years
• React	4 years

SOFT SKILLS

Collaboration, Adaptability

PROJECT DETAILS

• Healthcare Management Application — February-2020 - July-2023

Project Description: Led the development of a healthcare management application, enabling medical professionals to manage patient records and appointments. Built intuitive user interfaces and implemented RESTful APIs for data exchange.
Responsibilities: Collaborated with UX designers to create user-friendly interfaces, designed and implemented RESTful APIs, conducted unit testing, and provided technical support during deployment.
Technologies: Angular, .NET Web API
Industry: Healthcare

• E-Commerce Platform Enhancement — March-2023 - August-2021

Project Description: Collaborated with a cross-functional team to enhance an e-commerce platform's performance and user experience. Implemented responsive UI components and optimized API interactions for seamless shopping experiences.
Responsibilities: Designed and developed responsive UI components, integrated RESTful APIs, conducted code reviews, and ensured compliance with coding standards.
Technologies: Angular, .NET Web API
Industry: Retail

EMPLOYMENT HISTORY

• Senior Software Engineer — February-2021 - August-2023

Description: Led the design and development of web applications using Angular and .NET Web API. Collaborated with cross-functional teams to ensure seamless integration of frontend and backend. Conducted code reviews, mentored junior developers, and contributed to process improvements.

• Software Engineer February-2015 - January-2021

CodeCrafters Co.

Description: Developed responsive user interfaces using HTML, CSS, and JavaScript. Assisted in the integration of RESTful APIs for data exchange in web applications. Collaborated with UX designers to ensure optimal user experiences.

EDUCATION

• Bachelors degree in Computer Science from University of Madras 2010 - 2013

LANGUAGES

• English - advanced
