Hi, I am a React Native developer. I can build apps that feel truly native while using web technologies that are familiar to a wide range of developers. They usually focus on the front end of the product, but they are also adept at understanding the API services and infrastructure with which the app needs to integrate.

INDUSTRIES: Education, Agricultural

TECHNICAL SKILLS

• JavaScript	2 years
• React	2 years
• React Native	2 years
• Git	2 years
• HTML	2 years

SOFT SKILLS

Communication
