+91 9820045154 | hr@augmntx.com

Experienced Cloud Architect with a passion for designing and implementing scalable and secure cloud solutions. Adept at leading cross-functional teams and collaborating with stakeholders to drive business growth through technology innovation.

INDUSTRIES: Fintech, Enterprise Software

TECHNICAL SKILLS

• Cloud Architecture	5 years
• AWS	5 years
• Serverless	4 years
• Microservices	4 years
• DevOps	4 years
• Azure	3 years
• Kubernetes	3 years

SOFT SKILLS

team leadership, strategic planning

PROJECT DETAILS

• Serverless Data Processing June-2020 - January-2022

Project Description: Architected and implemented a serverless data processing pipeline using AWS Lambda and Apache Kafka, enabling real-time data analytics for a fintech company.
Responsibilities: Designed event-driven architecture. Implemented data ingestion, transformation, and storage components. Ensured data security and compliance.
Technologies: AWS Lambda, Apache Kafka
Industry: Fintech

• Enterprise Cloud Transformation September-2018 - April-2020

Project Description: Led the migration of a large-scale enterprise application to a microservices architecture on AWS and Azure, resulting in improved scalability and reduced operational costs.
Responsibilities: Designed multi-region, highly available architecture. Implemented automated deployment pipelines using Kubernetes. Collaborated with development teams to optimize cloud-native application design.
Technologies: AWS, Azure, Kubernetes
Industry: Enterprise Software

EMPLOYMENT HISTORY

• Cloud Architect July-2017 - Present

Description: Leading cloud architecture initiatives, collaborating with cross-functional teams, and providing technical leadership in designing and implementing cloud solutions.

CERTIFICATION

• Certified Kubernetes Administrator by Cloud Native Computing Foundation 2020

• AWS Certified Solutions Architect - Professional by Amazon Web Services 2018

EDUCATION

• Master of Science degree in Computer Science from Stanford University 2015 - 2017

LANGUAGES

• English - advanced
