Experienced IT Security Specialist with a track record of implementing robust security solutions to protect digital assets. Passionate about staying ahead of emerging threats and ensuring the highest level of data integrity and confidentiality.

INDUSTRIES: Cybersecurity

TECHNICAL SKILLS

• Cybersecurity	8 years
• Network Security	8 years
• Encryption	8 years
• IDS/IPS	7 years
• Penetration Testing	7 years
• SIEM	6 years
• Incident Response	6 years
• DLP	5 years

SOFT SKILLS

analytical thinking, problem-solving, teamwork

PROJECT DETAILS

• DataGuard January-2018 - Present

Project Description: DataGuard is a data protection suite that leverages encryption and Data Loss Prevention (DLP) strategies to safeguard sensitive information across the organization's infrastructure.
Responsibilities: Designed and implemented encryption protocols, integrated DLP tools, and conducted regular security assessments to identify and mitigate vulnerabilities.
Technologies: Encryption, Data Loss Prevention
Industry: Cybersecurity

• SecureNet Plus March-2015 - November-2017

Project Description: SecureNet Plus is an advanced cybersecurity platform that integrates Security Information and Event Management (SIEM), Intrusion Detection/Prevention Systems (IDS/IPS), and robust endpoint security measures.
Responsibilities: Led the design and implementation of SIEM correlation rules, fine-tuned IDS/IPS signatures, and ensured compliance with industry standards. Collaborated with cross-functional teams to address security incidents.
Technologies: SIEM, IDS/IPS, Endpoint Security
Industry: Cybersecurity

EMPLOYMENT HISTORY

• IT Security Specialist April-2014 - Present

Description: As an IT Security Specialist at CyberDefend Solutions, I lead efforts to design, implement, and manage comprehensive security measures to protect the organization's digital assets and data.

CERTIFICATION

- Certified Information Security Manager (CISM) by ISACA 2016
- Certified Information Systems Security Professional (CISSP) by International Information System Security Certification Consortium (ISC)² 2015

EDUCATION

- Master's degree in Cybersecurity from Stanford University 2010 - 2012

LANGUAGES

- English - advanced
