+91 9820045154 | hr@augmntx.com

Experienced DevOps Engineer with a strong passion for building and maintaining efficient and automated deployment pipelines. I enjoy solving complex problems to ensure seamless collaboration between development and operations teams.

INDUSTRIES: Cloud Services, Software and Platforms

TECHNICAL SKILLS

• AWS	3 years
• Jenkins	3 years
• Docker	3 years
• Python	3 years
• Kubernetes	2 years
• Ansible	2 years
• GitLab CI/CD	2 years

SOFT SKILLS

problem-solving, teamwork, adaptability

PROJECT DETAILS

• CloudOpsX — April-2020 - September-2021

Project Description: Implemented infrastructure-as-code practices to deploy microservices on AWS using Kubernetes. Achieved improved scalability, reduced downtime, and streamlined deployments.
Responsibilities: Designed and managed Kubernetes clusters, automated deployments with Jenkins and Ansible, and integrated monitoring and alerting systems for performance optimization.
Technologies: AWS, Kubernetes, Jenkins, Ansible
Industry: Cloud Services

• CI/CD Evolution — July-2022 - Present

Project Description: Led the migration of a monolithic application to a microservices architecture. Improved release cycles and deployment processes by implementing continuous integration and delivery practices.
Responsibilities: Developed and maintained Jenkins pipelines, integrated GitLab CI/CD for version control, and containerized applications with Docker. Collaborated with cross-functional teams to ensure smooth deployments.
Technologies: Jenkins, GitLab CI/CD, Docker
Industry: Software and Platforms

EMPLOYMENT HISTORY

• DevOps Engineer — January-2018 - Present

Description: As a DevOps Engineer at Tech Innovations, I contribute to designing and maintaining efficient deployment pipelines and improving overall system reliability.

CERTIFICATION

- Certified Kubernetes Administrator by Cloud Native Computing Foundation 2020
- AWS Certified DevOps Engineer by Amazon Web Services 2019

EDUCATION

- Bachelor's degree in Computer Engineering from University of Washington 2015 - 2019

LANGUAGES

- English - fluent
