• Gourmet Planet

Project Description: The Gourmet Planet App is an exceptional Food Lovers' App that sets itself apart from commercial platforms by offering a range of exclusive benefits and privileges to its members. The app caters specifically to food enthusiasts, providing them with preferential treatment, specially curated offerings, and attractive discounts at a wide array of participating hotels and restaurants located in major cities across India. One of the key features of the app is its reservation facility, which allows users to book tables at restaurants for public events and special occasions. This ensures that members have convenient access to popular dining experiences, saving them the hassle of waiting or searching for available tables.
