As a natural-born problem solver, I thrive on tackling complex challenges with a solution-oriented mindset. With more than a year of experience in designing and developing intuitive web applications, I'm now upskilling myself as a full-stack developer, honing my expertise in Node.js and Express.js. Whether I'm working on the front end or back end, I bring an unwavering commitment to delivering innovative solutions that drive business success.

INDUSTRIES: Education, Finance

TECHNICAL SKILLS

• React	1 years
• TypeScript	1 years
