I am a DevOps Developer with 4 years of experience in the field. My passion is to streamline and automate the software development and deployment processes. I have a strong foundation in DevOps practices and tools, allowing me to contribute to the efficiency and reliability of software delivery pipelines. I am committed to continuous learning and staying up-to-date with the latest DevOps trends and technologies.

INDUSTRIES: Technology, Cloud Services

TECHNICAL SKILLS

• DevOps Practices	4 years
• Jenkins	4 years
• Docker	4 years
• Kubernetes	3 years
• Ansible	3 years
• Terraform	2 years
• AWS	2 years

SOFT SKILLS

public speaking, leadership

PROJECT DETAILS

• DevOps Automation — June-2022 - Present

Project Description: Implemented and maintained CI/CD pipelines using Jenkins, Docker, and Kubernetes. Automated infrastructure provisioning and configuration management using Ansible. Improved software delivery speed and reliability.
Responsibilities: Designed and implemented CI/CD pipelines, managed containerized applications, and ensured infrastructure as code practices. Collaborated with development and operations teams to optimize software delivery processes.
Technologies: Jenkins, Docker, Kubernetes, Ansible
Industry: Technology

• Infrastructure as Code — January-2021 - May-2022

Project Description: Implemented Infrastructure as Code (IAC) using Terraform to automate the provisioning of AWS resources. Ensured infrastructure consistency, scalability, and reduced manual intervention.
Responsibilities: Wrote Terraform scripts to define and deploy AWS infrastructure. Managed the entire infrastructure lifecycle, from provisioning to decommissioning.
Technologies: Terraform, AWS
Industry: Cloud Services

EMPLOYMENT HISTORY

• DevOps Developer — June-2018 - June-2022

Description: Worked as a DevOps Developer with a focus on automating software delivery pipelines, managing infrastructure as code, and collaborating with development and operations teams to enhance the software development lifecycle.

CERTIFICATION

- Certified Kubernetes Administrator (CKA) by CNCF 2022
- AWS Certified DevOps Engineer - Professional by Amazon Web Services 2021

EDUCATION

- Masters degree in IT Computer from Sourashtra 2013 - 2015

LANGUAGES

- English - intermediate
