Automation QA Engineer with over 8+ years of experience in test automation for web, API, and mobile applications. Specialized in Cypress and Playwright frameworks with a strong focus on Next.js and AngularJS applications. Skilled in developing scalable test frameworks, integrating with CI/CD pipelines, and leading QA teams to deliver high-quality software. Strong understanding of automation strategies, regression testing, and collaborative Agile environments

INDUSTRIES: Software and Platforms

TECHNICAL SKILLS

• Next.js for UI testing	7 years
• Angular.JS for UI testing	7 years
• Automation Testing	6 years
• Playwright	6 years
• Cypress	5 years
• Selinium	5 years

PROJECT DETAILS

• Healthcare Appointment App — March-2023 - March-2024

Project Description: created an Automated healthcare web and mobile apps.
Responsibilities: Used Playwright for UI automation Automated API testing with Postman Integrated into CI/CD using Azure DevOps Delivered test coverage and defect reports Mentored junior testers Tech Stack: Playwright, AngularJS, Azure DevOps, REST API
Technologies: : Playwright, AngularJS, Azure DevOps, REST API
Industry: Software and Platforms

• Logistics Tracking Dashboard — January-2021 - December-2021

Project Description: Built UI automation for vehicle and delivery tracking
Responsibilities: Developed test cases for AngularJS components Used Jest for unit testing API validations with backend Integrated alerts with Slack Maintained test data setup Tech Stack: AngularJS, Jest, Cypress, GitHub
Technologies: AngularJS, Jest, Cypress, GitHub
Industry: Software and Platforms

• E-Commerce Web Platform Automation — April-2024 - April-2025

Project Description: Built end-to-end test automation for a large e-commerce platform.
Responsibilities: Led QA team and built Cypress-based test suite Integrated automation suite into Jenkins pipelines Built reusable page object models Handled regression and cross-browser testing Collaborated with DevOps for environment monitoring Tech Stack: Cypress, Next.js, Jenkins, GitHub, AWS
Technologies: Cypress, Next.js, Jenkins, GitHub, AWS
Industry: Software and Platforms

EDUCATION

• Bachelors degree in BCA from Utkal University — 2014 - 2017

LANGUAGES

• English - advanced
