I am a highly motivated Full-Stack MERN Developer with over five years of experience building responsive and visually appealing web applications. Proficient in MongoDB, AWS, and modern frameworks like React and Node.js, I am dedicated to delivering superior user experiences and innovative solutions. I am eager to tackle challenging projects and contribute to the success of creative and forward-thinking teams.

INDUSTRIES: Data Analytics, Management Software

TECHNICAL SKILLS

• Next JS	6 years & 6 months
• React	5 years & 10 months
• Mongo DB	5 years & 10 months
• Full Stack Development	5 years & 10 months
• Rest API	5 years

PROJECT DETAILS

• Data Analytics App

Project Description: Developed a dynamic form builder capable of creating various types of forms with customizable fields including inputs, checkboxes, dropdowns, etc. Integrated features for generating PDF documents from form submissions and implemented OTP verification for added security.
Responsibilities: Developed a system that allows users to effortlessly create custom forms according to their preferences.
Technologies: Next JS, Node JS, MongoDB
Industry: Data Analytics

• Anton

Project Description: Developed a comprehensive campaign management system integrated with Amazon. The system enables users to efficiently handle bids, manage campaigns, and create advertisements, streamlining the process of managing their advertising and campaigns on Amazon.
Responsibilities: API integration, user-friendly ad interface development, performance monitoring, and security compliance.
Technologies: ReactJS, NodeJS, MongoDB, ExpressJS
Industry: Management Software

EMPLOYMENT HISTORY

• MERN Stack Developer

Description: Design, develop, and maintain responsive web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Integrate third-party APIs, manage databases, and ensure seamless user experiences across frontend and backend systems. Collaborate with teams to deliver innovative solutions while adhering to project timelines and technical requirements.

EDUCATION

• Bachelors degree in Science from Veer Narmad South Gujarat University 2018 - 2020

LANGUAGES

• English - intermediate
