Attention to Detail, Critical thinking, Time management, Creativity, Team Collaboration, Problem-solving, Design System

PROJECT DETAILS

• Rubrik June-2024 - October-2024

Project Description: Designed a cohesive and modern user interface for Rubrik web and mobile dashboards, focusing on simplifying complex data views and enhancing overall clarity. Improved brand consistency across touch points, optimized navigation flows, and delivered a polished visual system that strengthened user trust and usability.

Responsibilities: a) Conducted UI/UX research to understand user needs and pain points. b) Created wireframes, high-fidelity mockups, and interactive prototypes for web and mobile dashboards. c) Standardized components to establish a consistent design system aligned with Rubrik brand. d) Simplified complex data workflows into intuitive, easy-to-navigate interfaces. e) Collaborated with product managers and engineers to ensure smooth hand-off and accurate implementation. f) Performed usability reviews and iterative design improvements to enhance clarity and user experience.

Technologies: Figma

Industry: Cloud Data Management

• SAP Equinor October-2023 - April-2024

Project Description: Developed intuitive and interactive data visualization dashboards within the SAP ecosystem to help Equinor simplify complex operational data. Focused on reducing visual clutter, improving readability, and enabling faster decision-making. The redesigned interfaces transformed dense datasets into clear visual insights, supporting better monitoring, analysis, and reporting across energy operations.

Responsibilities: Developed wire-frames, high-fidelity screens, and user flows for SAP-based data visualization modules.

Technologies: Figma

Industry: Energy

EMPLOYMENT HISTORY

• Sr. UI/UX Designer June-2021 - December-2025

Description: Designed high-fidelity UIs and design systems for web and mobile products, improving consistency and visual appeal by 40%.

EDUCATION

• Masters degree in MSC.IT from Sikkim Manipal University 2002 - 2005

LANGUAGES

• English - intermediate
