I am a Civil Engineer with a passion for coding. My background as a Civil Engineer equips me with valuable skills such as adaptability, problem solving, communication, researching, and critical thinking. These skills, when merged with my passion for coding and web development, enable me to create innovative and user-friendly web applications that seamlessly blend functionality and aesthetics.

INDUSTRIES: Non Profit, Ecommerce

TECHNICAL SKILLS

• JavaScript	1 years
• React	1 years
• Node.js	1 years
• SQL	1 years
• MongoDB	1 years
