+91 9820045154 | hr@augmntx.com

A passionate developer who loves to turn coffee into code. Since I started android & iOS app development, I have spent every spare minute writing clean and straightforward code with high-quality design on the front end. I am a passionate and hardworking person, and I firmly believe I can create simple and beautiful products.

INDUSTRIES: Consumer Goods and Services

TECHNICAL SKILLS

• Android Studio	4 years & 5 months
• Flutter & Dart	3 years & 2 months
• Android	1 years & 3 months
• C	1 years
• C ++	1 years

PROJECT DETAILS

• GoodApp - Partner — May-2023 - October-2023

Project Description: GoodApp provides qualified home service providers a shared platform to have access to new and potential clients in and around the Southern Africa regions. Introducing an innovative and safe way to gain momentum in acquiring new business and building sustainable relationships with clients outside of their day-to-day reach. With security in mind, GoodApp prides itself on creating a safer way of doing business and bringing home service providers to clients, hassle-free! Every executive GoodApp partner is required to adhere to the safety
Responsibilities: In this project, my responsibility is to develop and manage the whole app.
Technologies: Flutter
Industry: Consumer Goods and Services
