I am web developer having 9+ years of experience in Ruby on Rails, ability to write quality and clean code, can find and fix the bugs, I am a problem solver and provide innovative solutions. Also I love to learn new things. Over the last 9 years, I have a developed a wide range of web applications as well as mobile based(API based) applications using Ruby and Rails. My main hold is on ruby on rails, aslo have good hand on technologies like javascript,jQuery,CSS, git and servers etc. I look forward to work with my clients exploring my skills which can help them achieve their business goals.
